Career Objective :
I am eager to kickstart my career in crafting engaging and responsive websites. I have a solid understanding of HTML, CSS, and JavaScript, along with a willingness to learn modern frameworks like React. I am passionate about creating user-friendly interfaces and translating design concepts into code. I am seeking an opportunity to contribute to a dynamic team where I can apply my skills, learn from experienced professionals, and grow as a front-end developer. I want to establish myself as a senior Front-End Developer within 4-5 years.

Academic Project:

- **E-commerce Orebi :** I completed development on an e-commerce website called Orebi. My role is to develop Components, Routes, Hooks, Redux, Firebase, and form-retching API data, presenting data on the website while maintaining the exact UI.
